OUR WORLD IS STILL MADE BY HAND.

Every Mariposa piece starts as an idea, then takes shape through the hands of skilled artisans using recycled materials and time-honored techniques.

This season, we're embracing slower moments, meaningful gatherings, thoughtful gifting, and pieces that feel special enough to return to year after year.

The holidays have a way of turning simple objects into traditions – a favorite serving piece, a well-loved frame, a thoughtful gift remembered long after the season ends.

Holiday traditions, beautifully made.

welcome to a season of

GRACIOUS GATHERINGS

Gather around the table with pieces made for warm, effortless hosting.

In Spanish, *sueño* means dream. This season, we introduce Shelly Bradbury's reimagined *Sueño* collection — designed to feel both modern and timeless — like a dream brought to life, handcrafted from 100% recycled aluminum. Paired with *Alabaster* dinnerware, *Appliqué* and *Studio Glass*, it's simple to create a table that feels layered, inviting, and effortlessly refined.

Elevate gracious gatherings with thoughtfully curated pieces for the table.

welcome to a season of TIMELESS LIVING

Elegant new introductions bring warmth, texture, and timeless style into the home this season.

Isn't it about time? Refined engravable clocks — and a new direction with an elegant compass — blend beauty and sentiment in equal measure. Meaningful pieces were designed to celebrate moments big and small, thoughtfully created for memorable gifting, elevated corporate giving, and refined home styling.

This season also welcomes richly textured faux grasscloth designs, adding natural warmth to the collection. Their soft, woven-inspired finish brings a curated feel to the home, pairing beautifully with both classic and modern interiors.

And finally — the gold accents we've been waiting for! Our newest frames pair beloved silhouettes with warm metallic details that add richness, dimension, and a luxurious finishing touch. Designed for displaying treasured memories, thoughtful gifting, and adding a polished flair to the home, these striking new styles are fresh and iconic.

Bring the art of timeless living into every room, bookshelf, and gathering space.

HOLIDAY MAGIC

Some holiday pieces become more than décor — they become part of the memories and traditions to be cherished for years to come.

Everyone loves our whimsical heirloom-worthy designs, destined to be brought out year after year, like our beloved Tree & Train Server. This year we debut the newest treasure — a charming Red Wagon Server.

Rich in detail and designed to make a statement, these collectible serving pieces bring a sense of wonder, nostalgia, and celebration to holiday entertaining.

Even more? We've expanded our *Evergreen Trees* collection — a natural extension of our love for perennial holiday décor and our commitment to caring for the planet we all share. Inspired by the beauty of evergreens and rooted in thoughtful craftsmanship, these pieces bring warmth and wonder well past the holidays.

Festive Santa motifs, playful ornaments, classic nutcrackers, and cheerful peppermints add a spirited flair to the season.

Celebrate with pieces designed to spark joy, nostalgia, and holiday magic year after year.
