EASY CARE MATS

All our vinyl easy care mats are made of 100% Phthalate-free Vinyl.

Phthalates are found in many of the vinyl mats on the market - they are known to be hormone-mimicking chemicals, many of which disrupt normal hormonal processes, raising concerns about their implications for increased health risks.

This popular program features many great collections that are being retired; all at exceptional prices. Don't miss out on these great margin builders. Quantities are limited, and once they're gone, they're gone for good. Retiring collections will not come back, so now is the time to act! Call your Bodrum rep or our office.
