100% COTTON TABLE & KITCHEN LINENS
(not Green Sweet or Coated)

- Wash separately before the first use (95°F –warm temperature).
- Machine wash (between 95°F and 140°F –warm temperature) with a color-safe detergent.
- Tumble dry on medium setting.
- Iron on high setting on the backside.

PRE-WASHED LINEN OR METIS TABLE LINEN

- Wash separately before the first use (95°F –warm temperature).
- Machine wash (between 95°F and 140°F –warm temperature) with a color-safe detergent.
- No need to iron. If you wish to reduce the “wrinkled” look, iron on a high setting.
- Hang dry only.

GREEN SWEET LINENS

- No need to wash before first use.
- In case of stain or spill, first remove any solid residue, then gently dab the spill or stain with a damp sponge.
- If the stain is not completely gone, machine-wash it within 24 hours at a warm temperature with a color-safe detergent. No fabric softener.
- Tumble dry medium. Do not use dryer sheets.
- Iron on high setting. The heat will help regenerate the stain-resistant property of the fabric.

COATED COTTON LINENS

Everyday use

- Simply wipe off with a damp sponge and some warm water (no rubbing, no scratching).
- Do not use dish soap or any cleaning product.

Occasionally

- Machine-wash on a warm temperature on a delicate cycle with a little detergent. No fabric softener.
- Hang dry only.
- Iron on high setting (back side only). Be sure not to iron the hems.
- If used outdoor, do not leave outside after use.

WHICH PATTERNS ARE AVAILABLE IN CUSTOM SIZES?

- In your pricelist, you can easily recognize the customizable patterns available “Fabric Yardage”.
- The “all over” patterns (beginning with the word “Mille”)
- The linear patterns (when fabric is available)
- The Bastide, plain sateen fabrics
- All the white / ivory designs of our Hotel Collection

HOW TO CALCULATE THE PRICE OF A CUSTOM TABLECLOTH?

$$\text{Price per inch} \times (\text{length} + 2 \text{ inches for the hems}) \times 1.1$$

Example: Mille Parfums Verde Tablecloth, 64”x143”, Coated Cotton
\$2.14 x (143” + 2”) x 1.1 = \$341.33 wholesale
Once you have your wholesale price, you can calculate your Retail price.
(Garnier Thiebaut recommends a 2.2 markup).

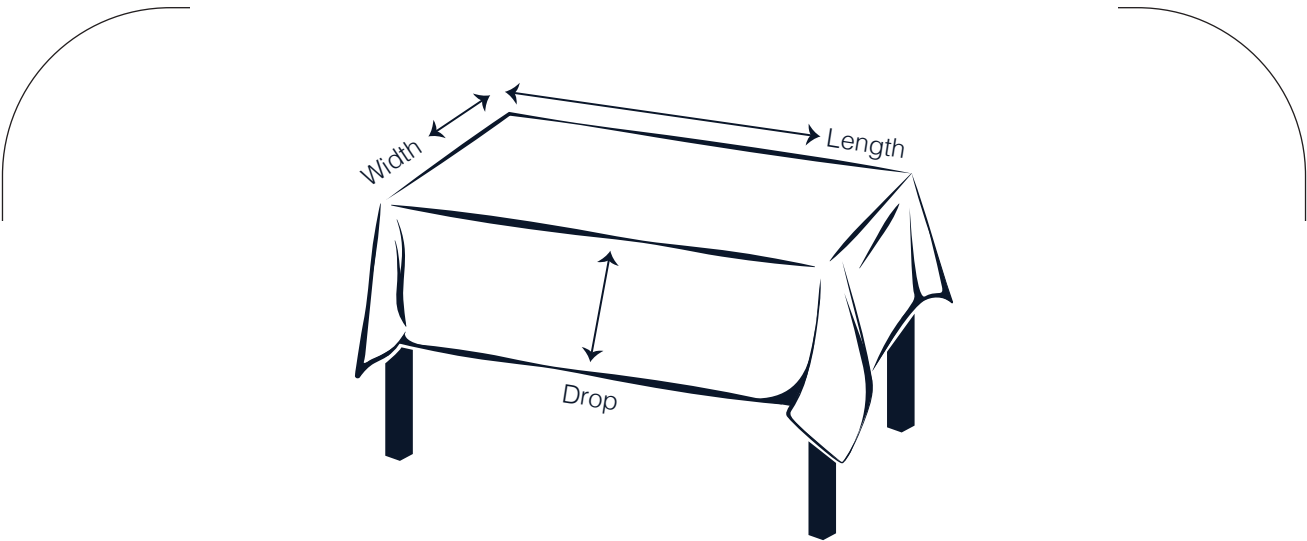

FEW OTHER TIPS

We can customize the length.

Make sure that the width of the custom tablecloth is not wider than our rolls of fabric. Also, keep in mind that we will need 2 inches of fabric for the hem.

Therefore, if we take the above Mille Parfums pattern in coated cotton, the widest tablecloth we can make is 69” wide, since the roll of fabric is 71” wide and we need 2 inches for the hem.

CALCULATING THE DROP

$$\text{Drop Length} = (\text{Tablecloth Length} - \text{Table Length}) \div 2$$
$$\text{Tablecloth Length} = (\text{Drop Length} \times 2) + \text{Table Length}$$
**Replace length for diameter for drop of round tablecloths*

IMPORTANT

Be aware of shrinkage!

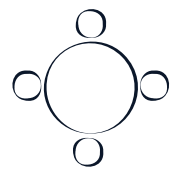

Keep in mind that most of our tablecloths are 100% cotton and will shrink a little bit after wash (average shrinkage: about 4-6%). This does not apply to coated products which do not shrink.

Terms of Sale
Effective June 1st , 2026

Prices. All prices are net, purchaser's risk, FOB Origin, and do not include shipping and handling or taxes. G-T reserves the right to change prices without prior notice. Prices should be checked with the sales office prior to ordering. On-line price lists replace all prior price lists and are subject to change without notice. On-line price lists, or any portion thereof, may not be reproduced without G-T's express prior written permission.

Taxes. Prices do not include federal, state, or local taxes. In order to exempt a sale from sales or use tax liability, Purchaser must supply G-T with a certificate of exemption or similar document at the time the order is placed. In the event that G-T's products are shipped to a location outside of the state of the Purchaser's principal office, Purchaser agrees to furnish G-T with the resale certificate required by the state to which the products are delivered.

In order for the Purchaser to purchase G-T's products for its own consumption without payment of applicable sales tax, Purchaser must be authorized by the applicable state as a "Direct Pay Taxpayer." Purchaser acknowledges that it assumes all responsibility to pay the required use (sales) tax to the appropriate tax authority. The Purchaser further agrees to furnish G-T with evidence that it has been authorized as a Direct Pay Taxpayer by the applicable state.

In the event that the Purchaser is unable to perform any of the above obligations relative to sales tax compliance, Purchaser shall pay all use (sales) taxes, interest charges and penalties which G-T is required to pay to any state of local government as a result of this sale.

Additional material, labor, administrative and/or other costs may be charged.

Shipping. Complete shipping instructions as to carrier and routing should be included with the order. If no routing is specified (or if "best" routing is requested) G-T will select an appropriate carrier. G-T is not responsible for delays, failure of delivery, loss or damage in transit or storage. In the case of loss during shipping, the Purchaser must save all original cartons and shipping materials for inspection by the carrier. The Purchaser should file claims directly with the carrier. Be advised that most carriers require that claims be filed within 15 days and that damaged goods be kept in the original package. As inventory levels can fluctuate due to allowances or shortages, G-T reserves the right to make partial shipments as product/fabric is available. Invoices for such shipments are to be paid for shipments made.

Payment Terms. New accounts: For initial orders, G-T accepts only prepaid and credit card orders (Major credit cards accepted: Visa, MC, Amex).

Established Accounts: Established accounts with a good credit record may be granted credit terms. G-T reserves the right to suspend or revoke the credit of any customer.

The credit terms and any applicable cash discounts will be stated on the G-T invoice. A line of credit amount will be assigned to the Purchaser's account by G-T. G-T will disclose this line of credit amount to an authorized representative of the Purchaser, upon written request. G-T reserves the right to change this line of credit amount at any time.

In the event that Purchaser fails to fulfill the terms of payment or in case G-T shall have any doubt at any time as to Purchaser's ability to meet its obligations, G-T may decline to make further deliveries except upon receipt of cash or satisfactory security.

G-T reserves the right to charge Purchaser interest (at 2% per month) on past due accounts and reserves the right to charge Purchaser \$100.00 for any check returned to G-T for insufficient funds (N.S.F.).

G-T does not allow discounts for payments in advance of due dates except as specifically described in the terms stated on the invoice.

All Payments by check on account should be sent to G-T. Wire transfer or ACH instructions will be provided upon request. All payments should be accompanied by the appropriate reference to specific invoices paid. Unless agreed in advance, G-T will apply the payment amount to the oldest invoices outstanding.

G-T uses a payment platform by VersaPay to allow customers to view their invoices online and submit credit card and ACH payments electronically, apply open credits and payments, setup auto-pay, receive notifications of past due invoices as well as statements.

WIRE FRAUD ALERT: Criminals are impersonating and hacking email accounts of all companies, institutions and email providers, resulting in fraudulent wire instructions being used to divert funds to the account of the criminal.
