

As we celebrate our 30th anniversary, I am filled with gratitude and pride reflecting on the journey of Bodrum Linens. What began in 1994 as a small venture in San Francisco has blossomed into a celebrated name in high-end table linens, gracing the most exquisite stores and homes across the country.

Fresh out of my MBA program, I was eager to blend my artistic passions with my business education and coming from a generational textile family in Istanbul, fine Turkish linens seemed an obvious choice. Little did I know that this fusion would resonate so profoundly with our esteemed customers. Since our inception, Bodrum Linens has been synonymous with uncompromising quality and timeless elegance. Our journey has been immensely rewarding, and I am deeply thankful for the new and enduring relationships we have built along the way. To our valued partners, and especially those who have been with us since our early days, your unwavering support and trust have been the cornerstone of our success. It has been an honor to see our creations become a part of your curated selections, enhancing the aesthetic of countless homes and events. Your feedback, collaboration, and loyalty have continually inspired us to innovate and excel.

As we look to the future, our mission remains the same: to bring beauty, sophistication, and a touch of luxury to every table. We are excited to continue this journey with you, introducing new designs and collections that honor our rich heritage while embracing contemporary elegance.

Thank you for being an integral part of our story. Here's to many more years of creativity, collaboration, and shared success.
